IP BEST PRACTICES

Governance

A best practice shared by Henno Janmaat.

Generated on 22 November 2026

Governance

Define who the programme and project team should report into, and how often.

Key steps

Take time to define who the programme and project team should report into.

This could be the CEO, the CHRO, a culture board, a culture community, the Management Team, etc.

Determine the meeting frequency, face2face and remote — do it in a way that fits with the aspired culture.
