

IP BEST PRACTICES

Team Workshop

A best practice shared by Henno Janmaat.

Generated on 22 November 2026

Team Workshop

Activate the new identity on team level by asking teams to reflect on their own behaviours.

Key steps

Activate the new identity on team level by asking them to reflect on their own behaviours.

Ask them to think about which value they feel most strongly about and how they think other teams could develop themselves on that topic.

Also ask them where they feel they would like to develop and discuss what they could do to develop as a team on that topic.
