

IP BEST PRACTICES

Values 360

A best practice shared by Henno Janmaat.

Generated on 22 November 2026

Values 360

Get feedback on behaviour from as many different angles as possible.

Key steps

It's important to get feedback on behaviour from as many different angles as possible.

When there are four angles, it is called a "360 degree" review.

Potential angles include self, manager, direct reports, peers, clients, and family.
