# The Vision & Values Conference

Enables teams to reflect how well they live their shared Vision and Values and where they can grow, in five simple steps.

## Key steps

Step 1: Form small groups of up to 6 people.

Step 2: Each group uses the Vision & Values Conference Chart with the team's current Vision and Values as dimensions.

Step 3: Reflect and discuss — Where do we stand today? How important is this? Where is our greatest potential? What's our first step?

Step 4: Groups share their insights.

Step 5: Combine results into one shared chart by averaging all group evaluations.
