Personal Shield of Arm Quiz

A best practice used to get to know each other in a different way, through personal coats of arms.

Key steps

Ask team members to prepare their personal coat of arms for a dinner meeting following an event, gathering or meeting.

All personal coats of arms are placed in the room, or alternatively gathered by the facilitator and shown one by one.

Per round the audience must guess who is represented by the personal coat of arms, and the team member highlights key aspects from it.
